

Since the first day of operation, Riviera Group had set a new strategy to be the first spark for setting up the strongest state of art industrial base in the region specialized in the shoes necessities,

leather bags and adhesives fields.

This made our products highly requested in the domestic market as well as the international markets.

Riviera Group products refined and complying with the European quality / specifications but at competitive price. Therefore we are proud to be the preferred supplier for most of the shoes factories in Egypt, The Middle East, and Africa.
